You may also be interested in something from the list below. Fallout 76 presented the Quest Line Order of the Popolov with its latest update, and receiving a backpack award requires you to finish at least three Tadpole Scout exams. There are many questions that can be asked in random order for each icon, but we've done all the research for you to make sure you get every part of the quest right. Starting order pugolovka quest Before you get to scout exams, we will explain how you start the quest order of the pogolovka. Just like previous DLC quests, this is caused by buying and placing a free poster in your camp. In this case, you want a Pioneer Scout poster. Then you'll find it in your basic inventory under the wall decor. Purchase a Pioneer Scouts poster and place it in your CAMP. Bethesda Softworks/InnovSurvivalist @ YouTube Your next stop is Camp Lewis. Look for this NPC and it will give you a super-long speech about the local historians of pioneer scouts. Talk to this NPC at Camp Lewis to start the Order of tadpole quest. Bethesda Softworks/InnovSurvivalist @ YouTube After that you will be directed to two different side missions that can be completed in any order. We decided to talk to Pompeii's pioneering scout leader first. He launches a mission called Operation Ojai. The purpose of this task is simple: just follow the allocated places on the map to find and pick up a toxic plum in the area. Once you're done, drop it off in blue barrels that look like this. Put the toxic slime in these blue barrels. Bethesda Softworks/InnovSurvivalist @ YouTube Next, talk to pioneering scouting leader Tready at Dolly Sods Wilderness to get Sting's quest and stuff. The main purpose of the task is to collect different parts of insects in designated places on your map. One on Big B's Rest Stop is probably the best place to start because it's central elsewhere. If these approximate locations don't work, just server jump until you get the instance where they're doing. Look for Stingwings in this wooden house in Big B. Find the Stingwings in this wooden tree. Bethesda Softrots/InnovSurvivalist @ YouTube In the Tic Blood Sac circle you can find it here. Here's where you can find Tic Blood Sac. Bethesda Softworks/InnovSurvivalist @ YouTube In clay's bunker, look for this shhad to find Radroach meat. Look clay hopper for Radroach meat. Bethesda Softfrik/InnovSurvivalist @ YouTube For piece, go to the Southampton estate and look inside the main house for Bloodbug. The Southampton estate has Bloody. Bethesda Softworks/InnovSurvivalist @YouTube Finally go to Freddie Fear's Scare House to find a bunch of blouffies in the neighborhood. Find the fornicis in the House scaring Freddie. Bethesda Softworks/InnovSurvivalist @YouTube Once you make these two small bylaw moments, the Pioneer Scout Exam answers will come into play. You will need to select three classes of insects listed below and complete all the issues related to this class. You can view the problems in your world menu. They all have an exam, but other problems are unique to each badge. The athlete and Archer are usually two of the most popular options.
