Encyclopedia brown movie cast

The 1992 film, Boomerang, is the raunchy rom-com led by Hollywood OG Eddie Murphy. The film, which was a commercial success, featured a deep bench of talent. Here’s a look at how much personal wealth the stars of the film have accumulated since then. Eddie Murphy and Robin Givens in Boomerang | Paramount Pictures/Getty Images Boomerang flipped the script on romantic comedies Boomerang revolves around an advertising pro and ladies’ man named Marcus. When a female manager named Jacqueline swoops in and lands the job Marcus believes he deserved, she also steals his heart and then breaks it. While licking his wounds, Marcus hangs out with his best friends Tyler and Gerard, and his creative colleagues Angela, Bony T, and Strangé. The film got laughs and raked in over \$131 million, according to Box Office Mojo. Based on the film’s success, it’s no surprise that cast members landed subsequent high-profile roles. Here’s how the stars stack up today when it comes to wealth, according to Celebrity Net Worth: Eddie Murphy as Marcus RELATED: Beverly Hills Cop: How much are the stars worth today? From headlining comedy shows to grabbing the spotlight on the big screen, Saturday Night Live alum Murphy has worked hard and built a massive fortune. The star is worth an estimated \$200 million. And with the many projects he has on the horizon, Murphy has the potential to earn even more. Next up, fans can catch Murphy in Coming 2 America, the sequel to his 1988 smash hit, Coming to America. Martin Lawrence as Tyler RELATED: What’s the cast of Martin Worth Today? Like Murphy, Martin Lawrence rose to fame as a standup comedian. He starred in the hilarious sitcom Martin and went on to become a successful movie star. His latest feature, Bad Boys for Life, raked in over \$400 million, according to Box Office Mojo. And he is attached to the film a follow-up installment along with co-star Will Smith. Lawrence has built a fortune of an estimated \$110 million. Halle Berry as Angela Academy Award Winner Halle Berry was a relative newcomer when she won fans hearts in Boomerang. Since then, she has become a megastar with a lot of hits under her belt. Movie buffs can recognize Berry from Monster’s Ball, Swordfish, and the X-Men series. With several memorable performances in her rearview mirror, Berry has built an impressive level of wealth estimated at a total of \$90 million. Chris Rock as Bony T RELATED: Fargo Star Chris Rock calls the role the best of his career — Here’s why joining his fellow standup comedian in Boomerang, Chris Rock added heart and humor to the film as a mailroom worker and office gossip. Over the years, Rock has built a reputation as a socially conscious entertainer with remarkable wit. He is a film star, director, producer and writer who has made a huge impression in the arts and entertainment. Rock made a dramatic turn in his latest Fargo, FX’s crime drama anthology series and will soon grace the big screen in the newest horror film in the Saw series. Estimates place Rock’s net worth at about \$60 million. Grace Jones as Strangé Model, actor, singer and electric personality Grace Jones delivered a showstopping performance in Boomerang. Best known for strong characters such as Zula in Conan the Destroyer and May Day in A View to a Kill, Jones has maintained a presence in Hollywood since the early 1970s. The scene-stealer is worth an estimated \$7 million. David Alan Grier as Gerard RELATED: In Living Color Alums Jamie Foxx and David Alan Grier reunite for a new project TV buffs recognizing actor and comedian David Alan Grier for his success in long-running small-screen roles. He became a sketch comedy icon in FOX’s In Living Color and vaulted to sitcom success in life with Bonnie and The Carmichael Show. Next comes the funnyman co-star of Daddy Stop Embarrassing Me Along with others in the Living Color alum, Jamie Foxx. Grier has an estimated fortune of \$4 million. Robin Givens as Jacqueline Robin Givens became known as a TV star in the 1980s. After a series of guest-starring roles, she landed a part on Head of the Class for five seasons. She has continued to appear on the big and small screens, including a very juicy section by former Mayor Sierra McCoy on the CW’s Riverdale. Givens’ net worth is an estimated \$2 million. Tisha Campbell-Martin as ‘Yvonne’ Tisha Campbell | Time Life Pictures/DMM/THE LIFE Picture Collection via Getty Images RELATED: ‘House Party’ 30 Years later: How much is the cast worth today? Tisha Campbell-Martin made a brief but memorable appearance in Boomerang as Marcus’ neighbor and jilted lover, Yvonne. Fans will recognize Campbell-Martin as the actor, singer and dancer who has appeared in Little Shop of Horrors, House Party, Martin, My Wife and Kids, and other high-profile titles. She’s estimated to be worth \$500,000. Follow Erika Delgado on Twitter. Soon everyone will be in the room where it happened, just six years later. On Monday, Lin-Manuel Miranda announced that a Hamilton movie will be coming to theaters in 2021. Technically, it’s not a film in the traditional sense, but it’s actually slightly better — a recording of the original cast’s performance that was filmed on stage at The Richard Rodgers Theatre and given a cinematic flare by director Tommy Kail. The film is released by Disney on October 15, 2021, so go ahead and mark the day in your calendars. Miranda shared how the film will bring the Broadway experience to viewers everywhere in a press release obtained by Bustle. I’m so proud of what Tommy Kail has been able to capture in this filmed version of Hamilton – a live theater experience that feels just as instant in your local cinema, he said We’re excited to partner with Disney to bring the original Broadway company Hamilton to the largest possible audience. While some fans may have held out for a more traditional film version of Hamilton, which show for viewers all over the world at an affordable price is a way to allow everyone the opportunity to enjoy musical theater. And that in itself is invaluable to the countless Hamilton followers who didn’t get an opportunity to see the show live with the original cast. As Miranda explained to Variety in January, this will remove bragging rights from the situation and put the focus back on the arts, as well as increase appreciation for live theater. You all have the friend who brags, I saw it with the original cast, he told the outlet. Let’s steal that bragging rights from everyone. You will all see it with the original cast. Even if you were one of the lucky few to see Hamilton with the original cast, the film will still offer theater fans a whole new perspective on the musical. Disney’s theatrical release will combine the best elements of live theater and film and the result is a cinematic stage performance that is a whole new way to experience Hamilton, according to the press release. Without a trailer, it’s hard to know what that experience will look like in practice, but it’ll be fun to find out. Hamilton made his Broadway debut on January 20, 2015, and went on to win 11 Tonys, as well as the Pulitzer Prize for drama. In addition to Miranda, the original cast also included Daveed Diggs, Reneé Elise Goldsberry, Leslie Odom, Jr., Jonathan Groff, and Phillipa so. And now their award-winning work will be experienced on an unprecedented scale. We’re excited for fans of the show, and new audiences all over the world, to experience what it was like on stage — and in the audience — when we shot this at the Richard Rodgers Theatre on Broadway in June 2016, Kail said via the press release. We wanted to give everyone the same place, which is what this movie can provide. Picture: United Artists The Western genre helped propel many great actors to superstardom when they wore these hats and boots, then rode their horses towards sunset, until their director shouted Cut! Do you remember these celebrities? Since the Western film genre is as old as Hollywood filmmaking itself, many Silent Film Era actors appeared in the westerns of that time. Film historians identify William S. Hart as the first Western film hero who symbolized what we now know of typical Western film protagonists: a man of integrity who struggles when needed, and is honorable in his intentions and action. His silent film from 1925 called Tumbleweeds started it all, paving the way for future Western film heroes to evolve and evolve from this character archetype. As the Western film genre flourished, so did various Western film heroes. The concept of anti-hero came to be, with outlaws becoming the protagonists of Western films. They may not have the honor and integrity of the typical Western hero, but these characters gave the Western character a more nuanced context. They now seemed more human, and less of a perfect hero. In the process, to audiences. So far, the western as genre is still being revised and reformed. But the big stars still want to play the lead role in them, because they see it as a good opportunity to contribute to the Western genre.
